Hi Mark,

Thanks for the project & timeline synopsis. Your approach to the letter seems like a reasonable plan, and I'll be happy to pitch in as needed.

Subject: RE: gone from 4/16 - 4/23

OK, this is getting interesting. Here is where we are at, I think:

1. We have not received an application from the Corps or the applicant.
2. There is a huge amount of material on the Maine web-site.
3. We have not received the list of key links to look at from the Maine web-site, that they said they would send 10 days ago.
4. Beth, Mike, and I know only a modest amount about this project and very little about material on the web-site.
5. A public hearing is taking place this week and PN comments are due 4/25.
6. Beth is gone until 4/24; Mike is here until 4/12, then gone until May; I am gone from 4/16 – 4/23.
7. We may need to brief Mel or Lynne before it goes out, perhaps 4/17 - 4/19.
8. Nate or Tim may have to do the briefing.
9. We are not going to have time to go through a lot of this material before the letter is due.
10. More info. is still coming in.

So, I like Beth's take on just putting out some key messages in our letter:
